COMPANY PROFILE

Mana Health Care (Pvt) Ltd.

has over three decades of professional manufacturing experience and is one of the biggest suppliers for Orthopedic Rehabilitation Products in the region Pakistan. Company was founded in 1989 and introduced first orthopedic product in 1991. In 2018 company was registered in SECP and achieved ISO 13415-2016, CE Compliance certificate in 2020 and GMP certificate get 2023.

With the management policy of "Innovation & Improvement" and efficient workforce of skilled staff we continuously expand our range of products and improve quality & customer service by manufacturing products on OEM & ODM service base inside our 4,500 m² production area located in the Beautiful city of Pakistan, Lahore.

The reason why our products become one of the best-sellers is that each production under the MANA logo boasts excellent workmanship & sleek design. Our leading products are Abdominal Belt & Binder, Lumbar Sacral Support, Cervical Collars, Joint Supports (Wrist, Ankle, Elbow, and Knee) and other orthopedic soft goods of all kind which are being supply to government & private hospital including nursing home and medical center.

Our quality has made us a reputed firm with optimum combination of customer service. We never stops chasing better quality & better customer service.
